The Workshop

Events at Launceston Farm, Dorset

What we offer

A range of versatile, creative spaces that provide everything you need to run a successful event. Located on the Dorset/Wiltshire border, Launceston Farm is within easy reach of the M3 and A303 and 15 miles from Salisbury and Poole train stations.

The Farm hosts a wide range of audiences from corporate clients, wellness specialists, schools, charities and public service providers for team meetings, away-days and retreats.

Food and community are at the heart of what we do. We can offer organic farm tours as part of your group's farm experience, whilst our farm produce forms the basis of all of our on-site catering.
